

There  
is the  
rub

Test your logic, memory and motor skills. Be active with your brain training.

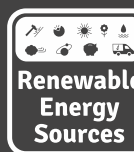

This lovely exhibition is a perfect place for those who loves to play and have fun. Great puzzles , riddles and brain leasers that are designed to stimulate and challenge visitors of all ages. On an educational basis There is the Rub strengthens perception, patience and coordination abilities. The catchy collection of interactive scientific toys not only amuses visitors but also captures their attention and helps them to discover some of the scientific laws. Most of the exhibits are designed for group activities.
